| List of Figures | (10) |
| Chapter | |
| 1. Introduction | 1 |
| 1.1 Background and Rationale | 1 |
| 1.2 Objectives, Scope and Expected Benefits of Study | 3 |
| 1.3 Conceptual Framework | 4 |
| 1.4 Literature Review | 4 |
| 1.5 Definitions of Variables | 6 |
| 2. Methodology | 7 |
| 2.1 Study Design | 7 |
| 2.2 Measurement Procedures | 9 |
| 2.3 Data Management | 11 |
| 2.4 Statistical Methods | 12 |
| 3. Preliminary Results | 17 |
| 3.1 Depth by Boat | 17 |
| 3.2 Depth by Occasion | 20 |
| 3.3 Depth by Time | 22 |
| 3.4 Salinity by Boat | 24 |
| 3.5 Salinity by Occasion | 26 |
| 3.6 Summary | 33 |

4. Regression Analysis 34
4.1 Distributions of Variables 34
4.2 The Correlation between the Variables 35
4.3 Linear Regression Analyses 37
4.4 Multiple Regression Analysis 40
4.5 Model Assessment
44
5. Conclusions and Discussion 45
5.1 Conclusions 45
5.2 Discussion 46
5.3 Limitations 48

# List of Tables

**Table** **Page**

2.1: The sampling locations using GPS.....8
2.2: The sampling location using GPS (in practice).....10
3.1: Two-sample t-test of salinity measurements .....19
3.2: One-way analysis of variance of depth measurements.....21
3.3: Number of occasions for each location.....22
3.4: Two-sample t-test of salinity measurements .....25
3.5: One-way analysis of variance of salinity measurements.....27
3.6: Two-way analysis of variance of salinity measurements .....29
3.7: One-way analysis of variance of salinity .....31
3.8: Comparison of the mean and standard deviation of the six readers .....32
4.1: Summaries of observed data.....35
4.2: The correlation between variables .....36
4.3: The linear regression analysis of salinity measurements.....38
4.4: The linear regression analysis of salinity measurements.....38
4.5: The linear regression analysis of salinity with time .....39
4.6: The linear regression analysis of salinity with longitude .....40
4.7:Regression models for determining salinity .....41
4.8: Regression models for determining salinity measurement with high r-squareds .42

# List of Figures

**Figures** **Page**

1.1: Conceptual framework diagram……4
2.1: Map of Pattani Bay showing the sampling location……...8
2.2: The data collection design for the two boats……..9
2.3: The direction on occasion in the two boats……...11
2.4: Relationship between depth and salinity in database……....12
3.1: Overall summary of the water depth data collected from Pattani Bay .....18
3.2: Box plots of the depth measured, by boat.....18
3.3: 95% Confidence interval of depth measured, by boat.....19
3.4: Normal score plot of depth measured, by boat .....20
3.5: Box plots of the depth collected, by occasion .....20
3.6: 95% Confidence intervals of the depth measured, by occasion .....21
3.7: Normal score plot of residual depth measured .....22
3.8: The depth at each location by time .....23
3.9: Overall summary of the salinity data collected from Pattani Bay.....24
3.10: Box plots of salinity data collected, by boat.....25
3.11: 95% Confidence interval of salinity data collected, by boat .....26
3.12: Box plots of salinity data collected, by occasion.....26
3.13: 95% Confidence interval of salinity data collected, by occasion .....27
3.14: Normal score plot of salinity data collected, by occasion .....28
3.15: Box plots of salinity data collected, by occasion adjusted for reader.....28
3.16: 95% Confidence intervals of salinity data, by occasion adjusted for reader .....29
3.17: Normal score plot of salinity data collected, by occasion adjusted for reader ...30
3.18: Box plots of salinity data, by reader adjusted for occasion .....31
3.19: 95% Confidence intervals of salinity by reader adjusted for occasion.....32

4.1: The histogram of observed ..... 35
4.2: Scatterplot matrix between salinity and determinants ..... 36
4.3: The relations between the variables ..... 37
4.4: The relation between salinity and water depth ..... 37
4.5: The relation between salinity and latitude ..... 38
4.6: The relation between salinity and time ..... 39
4.7: The relation between salinity and longitude ..... 40
4.8 : Multiple regression analysis of salinity in Pattani Bay (full model) ..... 43
4.9: Multiple regression analysis of salinity in Pattani Bay (final model) ..... 43
5.1: Salinity data collected by Srichai et al (2001) ..... 46
