

## ACKNOWLEDGEMENTS

The study on the Relationship between Rainfall and Salinity in Pattani Bay has been completed with the assistance and the suggestions of Prof. Don McNeil and Dr. Naiyana Srichai.

I would also like to thank Asst. Prof. Dr. Pairote Klinpituksa and Dr. Yupadee Chaisuksant for serving in the thesis committee, all the teachers of the Department of Applied Mathematics and Computing, Science and Technology Faculty, PSU, and Graduate School, Prince of Songkla University for helpful advice.

Finally, I would like to extend my thanks to my wife and my parents for their support and encouragement.

Krairat Ninchim
