

Acknowledgements

I would like express my sincerest gratitude and deepest appreciation to my supervisor, Dr Phattawan Tongkumchum, for her helpful guidance, support and invaluable assistance throughout the completion of my thesis. Thanks also to Professor Don McNeil for being my examiner and for his very constructive comments. Thank you to Assist. Prof. Dr Chamnein Choonpradub and Dr Sarawuth Chesoh for their suggestions and encouragement throughout my study. I also thank my friends for their encouragement. I gratefully thank the Bureau of Policy and Strategy, Ministry of Public Health for Thailand for providing the data. Last but not least I thank my parents for their love and support.
