Dentist and instructor, Sirindhorn College of Public Health, Yala.

List of Publications

Mudor A. 2013. Working practices of dental nurses in 3 provinces of Southern Thailand. Proceeding of the 27th national research conference: A path towards national development in the context of ASEAN community, February 28 – March 1, 2013. Naresuan University, Pidsanulok.

**Questionnaire for a study of working practices of dental nurses
in the three southernmost provinces of Thailand**

The objectives of this study are

1. To investigate levels of working practices of dental nurses in the three southernmost provinces of Thailand.
2. To study factors that affect working practices of dental nurses in the three southernmost provinces of Thailand.
3. To investigate working problems of dental nurses in the three southernmost provinces of Thailand.

The questionnaire was divided into three parts as follows:
