I would like to express my deepest gratitude to my supervisor, Emeritus Prof. Dr. Don McNeil for his valuable assistance, helpful guidance on this thesis and inspiring me to undertake Ph.D. study. I have been fortunate to have an advisor who gave me the freedom to explore on my own study for the purpose of making me reach my fullest potential in this study. My co-supervisor, Asst. Prof. Dr. Nittaya McNeil, has been always there to give me suggestions. Also grateful thanks to Asst. Prof. Dr. Chamnein Choonpradub, Asst. Prof. Dr. Apiradee Lim, Asst. Prof. Dr. Phattrawan Tongkumchum, and Ph.D. students for more than two years we were working together.

I am grateful to Prof. Dr. Graham Wood, Prof. Dr. Timothy E.O'Brien, Assoc. Prof. Dr. Seppo Karila and Greig Rundle for their suggestions and also assisting my English. I would like to acknowledge the University of Warwick, UK, for supporting me during my academic visit from August to September, 2013, also Graduate School, Prince of Songkla University, for funding this study.
