

# Quantitative Analysis of Trace Acetaldehyde Residue in Polyethylene Terephthalate (PET) Bottle by Gas Chromatography

Author: Miss Aree Choodum  
Major Program: Analytical Chemistry

Advisor Committee: *Pongpij K.* Chairman (Assoc. Prof. Dr. Proespichaya Kanatharana)  
*Panote Thavaringkul* Committee (Assoc. Prof. Dr. Panote Thavaringkul)

Examining Committee: *Pongpij K.* Chairman (Assoc. Prof. Dr. Proespichaya Kanatharana)  
*Panote Thavaringkul* Committee (Assoc. Prof. Dr. Panote Thavaringkul)  
*Arwan Sririchot* Committee (Dr. Arwan Sririchot)  
*Bo. M.* Committee (Dr. Udom Jingsit)  
*Lupong Kaewrijan* Committee (Dr. Lupong Kaewrijan)

**Aree Choodum**

The Graduate School, Prince of Songkla University, has approved this thesis as partial fulfillment for the Master of Science degree in Analytical Chemistry.
