Chapter	
1. Introduction	
1.1 Background	1
1.2 Importance of the study	2
1.3 Objectives of the study	3
1.4 The benefits of the study	3
1.5 Scope of the study	4
1.5.1 Scope of information sources	4
1.5.2 Scope of study issues	4
1.5.3 Period of the study	4
1.6 Definition of key terms	4
1.7 Research conceptual framework	6
2. Related Concepts, Theories and Literature	
2.1 Concept of satisfaction	7
2.2 Concept of perception	10
2.3 Concepts of sustainable tourism development	15
2.4 Concept of indicators for sustainable tourism development	22
2.5 Concept of tourism planning	25
2.6 Model approach for local participation in planning and managing of ecotourism	28
2.7 Tourism development policy and plans of Cambodia	36
2.7.1 Cambodian National Tourism Development Plan	36
2.7.2 Tourism Development Plan of Ratanakiri and Mondulkiri provinces	36
2.7.3 The Management Plan for Virachey National Park	37

2.7.4 Virachey National Park Pricing and Fee Collection Policy 39

3. Methodology	43
3.1 Population of interest for the study	
Group 1: Representative of local community	44
Group 2: The international visitors to the park	46
Group 3: The officers of Biodiversity and Protected Areas Management Project	47
3.2 Data collection	48
3.2.1 Secondary Data	49
3.2.2 Primary Data	49
3.3 Data analysis	49
3.4 Research limitation	59
4. Results	60
Section1: SWOT analysis of current situation for sustainable tourism planning and management	60
Section 2: Data analysis of local communities' perception with regard to tourism development in the park as well as in the community	75
4.2.1 Demographic profiles of respondents	75
4.2.2 Overall local communities' opinion on park tourism development	77
Section 3: Analysis of visitor satisfaction with the Park	89
4.3.1 The results and data analysis of the survey questionnaires with visitors to the park	89

4.3.2 Demographic profiles of respondents	90
4.3.3 Visitors' behavior and activities to the park	91
4.3.4 Overall visitors' satisfaction with the park	98
Section 4: The existing situation of current tourism development plan and management in Virachey National Park	107
4.4.1 The potentiality and existing situation of tourism development and management in Virachey National Park	107
Factor 1: Physical conditions	110
Factor 2: Management in the park	114
Factor 3: Operation of natural and cultural tourism	116
Factor 4: Organization and Participation of local community	117
4.4.2 The results and data analysis of interviews with officer group of Biodiversity and Protected Areas Management Projects (BPAMP)	119
4.4.2.1 Visitors' health and safety	119
4.4.2.2 Negative impacts of environment	119
4.4.2.3 Destination planning and control	120
5. Conclusions and Recommendations	
5.1 Conclusion	122
5.1.1 Existing situation of tourism development in Virachey National Park	122
5.1.2 Existing tourism development plan and management strategy of the park	123
5.1.3 Local communities' perception with regard to tourism development in the Virachey National Park	126

5.1.4 Visitors' opinion with regard to the Virachey National Park	127
5.2 Discussions of significant findings	128
5.2.1 The existing situation of tourism development in Virachey National Park	128
5.2.2 The existing tourism development plan and management strategy of Virachey National Park	130
5.2.3 Local communities' perception with regard to tourism development in Virachey National Park and in their community	132
5.2.4 Visitors' opinion with the park	134
5.3 Appropriate indicators of sustainable tourism development for the Virachey National Park	134
5.4 Guidelines for sustainable tourism development in Virachey National Park	140
5.4.1 Recommendations for Kok Lak Commune	140
5.4.2 Recommendations for authority of Ratanakiri province	144
5.4.3 Recommendations for authority of Virachey National Park	144
5.4.4 Recommendations for poverty reduction through the development of park tourism	148
5.5 Recommendations for future research	151
Bibliography	153
Appendices	156
A: Interview questionnaires with director of the park and officers of Biodiversity and Protected Area Management Project	157
B: Interview questionnaires with representative of local communities	169
C: Interview questionnaires with international visitors	173

D: The current staffing for Virachey National Park and total populations of Kok Lak Commune	178
E: Background of Virachey National Park	180
F: Map of Virachey National Park	183
G: Picture Photograph of Selected Park Sites and Data Collection Events	184
Vitae	193

LIST OF TABLES

Table	Page
