

Acknowledgements

I would like to express my sincere gratitude and deep appreciation to my supervisor, Emeritus Prof. Dr. Don McNeil, for his encouragement, guidance, and advice on this thesis. Thanks to my co-supervisor, Prof. Dr. Saowapa Angsupanich, for allowing me to use her data of macrobenthic fauna in the Middle Songkhla Lake and for giving me helpful suggestions throughout the completion of the thesis. I also wish to thank Dr. Cornelis Swennen for allowing me to use his data of imposex in gastropods in the Gulf of Thailand including share his experience for preparing the manuscript to submit in the international journal.

Thanks to Asst. Prof. Dr. Chamnein Choonpradub for her kindness, Dr. Phattrawan Tongkumchum for her encouragement, Dr. Nittaya McNeil for her comments and recommendations, Asst. Prof. Dr. Yupadee Chaisuksant and Asst. Prof. Dr. Rakpong Petkam for their work on the examining committee and giving me helpful comments. Thank you, Greig Rundle and David Broadfoot for editing my English writing. Thanks to all the staff of Prince of Songkla University for their cooperation, the Graduate School of Prince of Songkla University for supporting the scholarship. Thanks to my PhD friends for their encouragement and memorable learning experiences.

I am very grateful to Department of Fisheries, Ministry of Agricultural and Cooperatives, Thailand for allowing me to study for this PhD full-time. Finally, I would like to express my deepest appreciation to my mother, Jaree Chamnanwech, and my husband, Yuttakan Sampantarak, for their encouragement throughout my study.

Uraiwan Sampantarak
